SCCC Club Meeting Minutes – January 11, 2018

President Kevin Smith called the meeting to order. Members were asked to pick up their exhibits from the Sioux City Art Center.

The View and Review topic was Christmas. Doug Conrad put together and displayed members' digital entries. Members agreed that digital submissions for View and Review worked out well.

Michael Greiner presented the evening's program. He demonstrated techniques in Lightroom and answered member questions regarding that software product and its interactions with Photoshop.
