SCCC Meeting Minutes – 02/09/2017

President Kevin Smith called the business meeting to order, welcomed guests, and recognized new member Joyce Kaiser.

Kevin announced that the 2017 N4C Convention will be hosted by the Black Hills Camera Club in Rapid City. The convention will be held September 21 - 23.

Kevin said there were still two openings for N4C contest judging. Carl Hardy volunteered for the September slot and Doug Conrad volunteered for November.

Tom Schoening noted that the show at the Interpretive Center turned out well. He said that the Interpretive Center made a \$300 donation to our club. Mike Walsh passed around a thank you card for members to sign. The card will be sent to the Interpretive Center to thank them for hosting our exhibit and for their donation to the club.

Doug announced that Michael Greiner received an honorable mention from N4C in January for Nature.

The subject of View and Review was "Translucent." Doug presented two photos on that topic.

Thanks to Doug for providing snacks and refreshments for our break.

Doug then presented an enlightening program on Lightroom.

Respectfully submitted,

Rich Wright
Secretary/Treasurer
