Photo Opportunities

If you're looking for more photo opportunities you might want to check out the 71st Annual Czech Day's in Tabor, SD June 13-15 <http://www.taborczechdays.com/schedule.html>.

Here's another photo adventure you might be interested in. I received this from Jerry Mennenga. It's the Le Mars Sesquicentennial celebration in conjunction with Ice Cream Days which begins Wednesday June 12 and goes through Sunday. The big day would be Saturday with a parade starting at 9 am.

The Biggest car show of the season will kick off the Le Mars Sesquicentennial, at Bob's Drive In, Wednesday night, June 12th.

Here is a link to the schedule.

Jerry Mennenga asked me to pass this on as there is still time to sign up for his "Summer Photo Safari". It happens on 2 Saturdays, one in June and one in July, and then a classroom visit in August with an exhibit included. You will go out to a couple of pre-determined locations to photograph for the day.

You will have to sign up for Lifelong Learning first and there is a fee for the class but that is all explained in the link to the page https://www.witcc.edu/lifelong_learning/summerphotosafari.cfm.
